INTRODUCTION

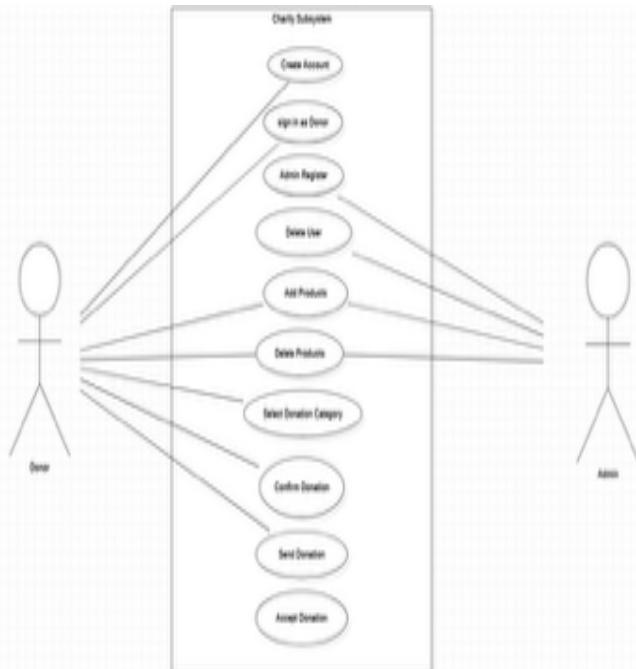

- CHARITY Project is a python based web Application with flask Module as a Web Framework(which connects frontend with Backend)
- In This Website a User can create a Account with preferred username
- The User can donate every day items which are not available on mainstream websites
- The User can also pay donation through debit or credit card
- All the data of Users , User Donations , User Payments are Stored By Admin with his own Login Account
- In Admin Account he/she can perform all CRUD commands via a GUI
- C(Create),R(Read),U(Update),D(Delete)

UML Diagrams

- 1.Use Case
- 2.Activity Diagram
- 3.Class Diagram
- 4.Deployment Diagram
- 5.Sequence Diagram

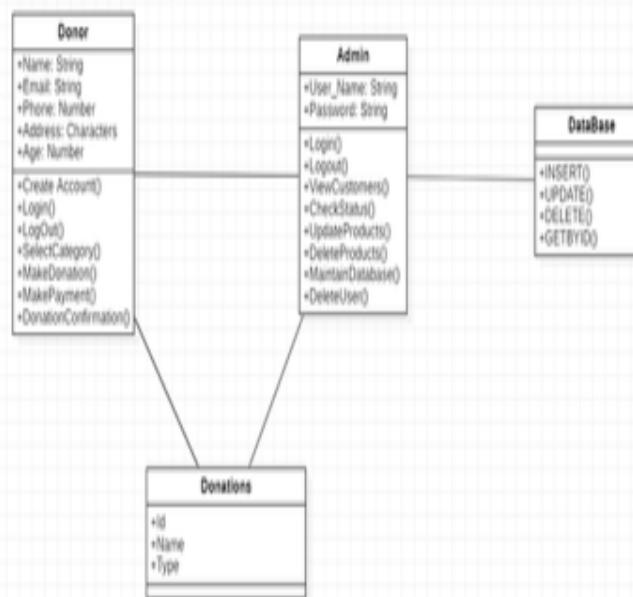

USE CASE

- A use case diagram is a graphic depiction of the interaction among the elements of a system . A use case is a methodology used in system analysis to identify,clarify, and organize system requirements.

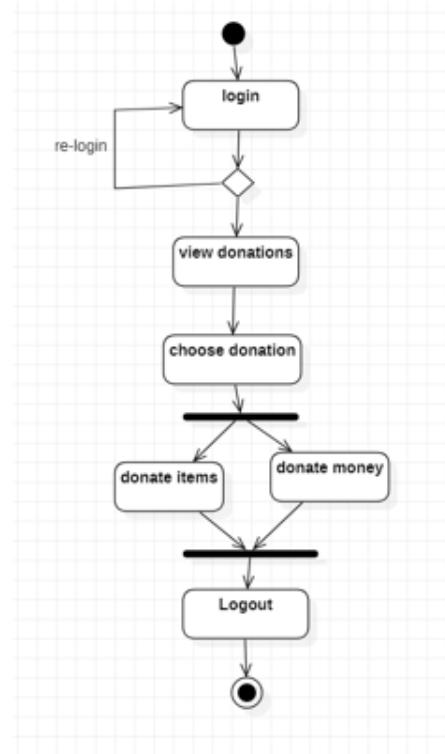

CLASS DIAGRAM

- Class diagram shows the system's classes, their attributes and operations (or methods), and the relationship's among objects

ACTIVITY DIAGRAM

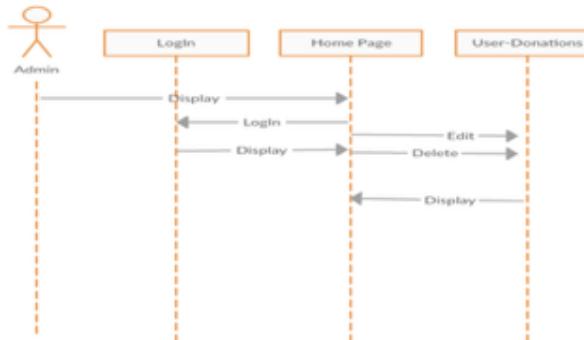

- Activity diagrams are graphical representations of workflows of stepwise activities and actions with support for choice, iteration and concurrency. In the Unified Modeling

SEQUENCE DIAGRAM:

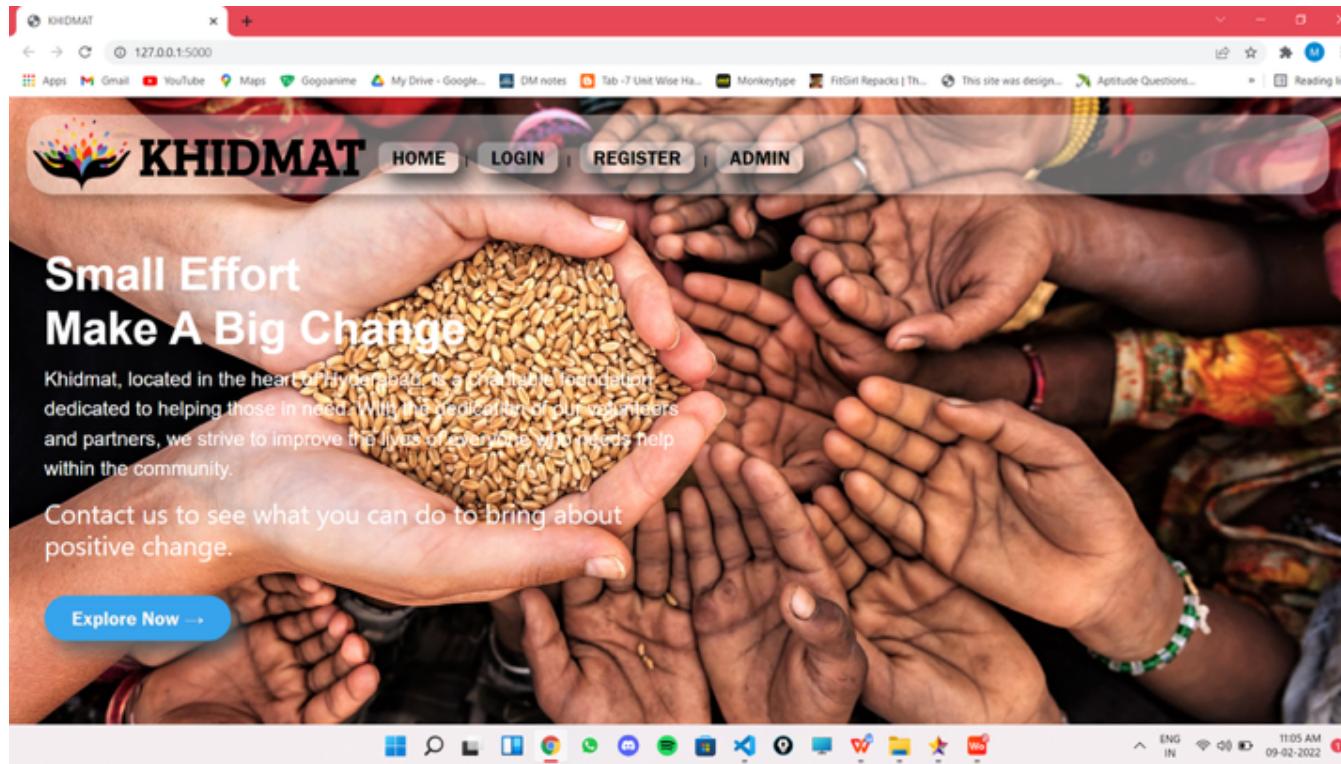

- A sequence diagram is a kind of interaction diagram that shows how processes operate with one another and in what order. It is a construct of a message sequence chart. A sequence diagram shows object interactions arranged in time sequence .

ABOUT OUR ORGANISATION

Key features of Khidmat

Responsive

Our website is the center of our digital ecosystem, like a brick and mortar location, the experience matters once a customer enters, just as much as the perception they have of you before they walk through the door.

Passion

Cultivating uniformity in the hearts of people by making all possible efforts to kindle the flame of love and affection by way of providing the marginalized all possible aid, support, and services

Design

YOU'LL LOVE IT, This site is so EASY to navigate through, and EASY to get back on track if you want to Explore. It is easy to follow along and definitely convenient because you can pull up whenever you need

Support

We make a living by what we get, but we make a life by what we give. We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop.

Donate Page

The screenshot displays a charity donation page. The main background image is a close-up photograph of several hands of different skin tones and ages, symbolizing unity and community. Overlaid on this image is a white rectangular 'Donation Form' modal with a thin blue border. The form is titled 'Donation Form' in bold black text at the top. It contains two main sections: 'ADDRESS' and 'MOBILE NO.' under the 'ADDRESS' section, there is a text input field labeled 'House No/City/pincode' containing the placeholder '+91'. Under the 'MOBILE NO.' section, there is another text input field with the placeholder '+91'. Below these are six dropdown menu fields labeled 'ITEM1' through 'ITEM6', each with a 'None' option selected. At the bottom of the form is a large, prominent blue rectangular button with the word 'DONATE' in white capital letters.

Admin Home Page

The screenshot shows a web browser window with a red header bar. The address bar displays the URL `127.0.0.1:5000/admin/`. Below the address bar is a navigation menu with links for Home, User, pay, and donations. A small logo of a colorful flower or leaf design is positioned above the main content area. A yellow notification bar at the top states "Logged in successfully." The main content area is titled "Welcome to your DashBoard". It displays user information: Name: Syed Sufiyan Ahmed, Username: sufiyan@admin.com, User id: 1, and Email: syedsufiyan964@gmail.com. A blue "LOGOUT" button is located below this information. Below the user info is a dark grey rectangular box containing four performance metrics: "14+ Partners", "55+ Projects Done", "89+ Happy Clients", and "150+ Meetings". The bottom of the screen shows the Windows taskbar with various pinned icons and system status indicators.

User Database view for Admin

The screenshot shows a web browser window titled "User - Admin" with the URL "127.0.0.1:5000/admin/user/". The page displays a table of user data with three entries:

	Email	Username	Password Hash
<input type="checkbox"/>	falz@khidmat.com	kaif	pbkdf2:sha256:260000\$jaH2bAgvAmY3n5R\$a16914b24ea55f1831a584536f4587dcbb58e7a4ae3896869ba664d9ab97a4d6e
<input type="checkbox"/>	KAIFF175597@GMAIL.COM	kk	pbkdf2:sha256:260000\$jeBrIImtGv5tzET\$5ede29b6406e52e0d0c5bd95da1d4f3885a8d62fb24e0f2fcfe88bb8dd2eb
<input type="checkbox"/>	aleem@khidmat.com	aleem	pbkdf2:sha256:260000\$Er4URdn0gYwXTRcJ\$8844b92303d97f1e342390f823c1301fffa7b0d3da217f22d567df74d2e0ca8

The browser's address bar shows the URL "127.0.0.1:5000/admin/user/". The top navigation bar includes links for "Admin", "Home", "User", "pay", and "donations". The bottom taskbar shows various system icons and the date/time "09-02-2022 11:07 AM".

All CRUD options for Admin

The screenshot displays a web application interface for managing users. The browser window has a red header bar with tabs for 'KHDMAT' and 'User - Admin'. The address bar shows the URL: 127.0.0.1:5000/admin/user/new/?url=%2Fadmin%2Fuser%2F. Below the address bar is a navigation menu with links: Admin, Home, User, pay, and donations. The 'User' link is currently active, indicated by a blue border. Underneath the menu, there are three input fields: 'Email' (empty), 'Username' (empty), and 'Password Hash' (empty). At the bottom of the form are four buttons: 'Save' (blue), 'Save and Add Another' (light gray), 'Save and Continue Editing' (light gray), and 'Cancel' (red).

- At the end of this report, I can talk about the idea in short. It is an electronic charity through which
 - donations can be made for those who have things they would like to donate. Also, the needy can
 - benefit from donations easily and without restrictions. There is no monopoly on a particular
 - section such as furniture, electronic appliances, household appliances and other things.
-
- The donor can also contribute to his account in social networking sites like Twitter, Instagram, Facebook
 - and others. This makes the donation easy and flexible.
 -
 - At the end it is concluded that we have made effort on

following points
